

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

-----X
UNITED STATES OF AMERICA, :
: **ORDER**
v. :
: 14 CR 768-5 (VB)
MYKAI DAVIS, :
Defendant. :
-----X

In an undated letter docketed February 11, 2021, defendant Mykai Davis asks that the Court “take a look at my criminal history and see if I do qualify to receive the relevant conduct time credit for the prior criminal convictions that I did time for but are a part of my instant offense.” He also asks questions about a “sentencing computation sheet” prepared by the Bureau of Prisons. (Doc. #533). It is not clear whether Davis is seeking relief from this Court or from the Bureau of Prisons, and if so what relief he is seeking. Nor is it clear that the Court has any power to grant any relief.

To assist the Court in resolving this matter, by March 23, 2021, the government is directed to submit a letter in response to Davis’s letter.

Chambers will mail a copy of this Order to defendant at the following address:
